

The passage of Proposition 300 by voters in November 2006 has changed Arizona's laws regarding in-state tuition. In order to comply with these new requirements, Pima Community College is revising its registration procedures.

Beginning March 12, 2007, all new and continuing students registering for Pima Community College credit classes and seeking in-state tuition will be required to complete a one-time Tuition Assessment Form. Once you have completed the form and it has been processed, you will not be required to complete this form again for subsequent Pima Community College classes.

Instructions for Completing the Form

Starting with Summer 2007, you will have 21 days from the first day of registering for a class to complete the Tuition Assessment Form.

If you do not complete and submit this form within 21 days of registering for a class, a hold will be placed on your record. This hold will prevent you from viewing your grades or receiving a transcript until the form is processed.

You will need to bring the form to any Campus Admissions and Registration office to have the information verified by a staff member. If you answer Part 2 on the Tuition Assessment Form, please be prepared to show the appropriate documents to a staff member.

Instructions if you do not live in Pima County

The form must be verified and notarized. The notary will need to sign in the verification section normally completed by a staff member. If you answer Part 2 on the Tuition Assessment Form, please be prepared to show the appropriate documents to the notary. Please keep in mind that not all notaries may be willing to complete the verification section of the form. Once it is complete and notarized, the original form needs to be sent to the following address:

Pima Community College 4905 B
East Broadway, St 220 Tucson AZ
85709-1120

Thank you for your cooperation and assistance with this new process.
